## Towards a Smart Sustainable City – Potential and Opportunities for Hong Kong

22 Nov 2017 (Wednesday) | 9:30am - 5:00pm | The Mira Hong Kong

## BEC ENVIROSERIES CONFERENCE (NOV 2017)

The coming EnviroSeries Conference is the event you don't want to miss if you wish to know how leading experts from across regions design and manage smart sustainable cities!

Entitled "Towards a Smart Sustainable City - Potential and Opportunities for Hong Kong", the Conference to be held on 22 Nov 2017 will have the honor of the Secretary for Innovation and Technology, Mr Nicholas W YANG as the Guest of Honour. He will outline the Government's latest initiatives in enhancing Hong Kong's sustainability and competitiveness. Business leaders from various MNCs, such as CLP, Siemens, Swire Properties, Hongkong Electric, Scania Group, Atkins and Tesla, will also share their strategies and experiences of a smart city approach during the Conference.

## BEC Initiatives

### Road Transport Dialogue Platform

Transitioning to a clearer sky and a low carbon economy requires businesses to work together. This Dialogue Platform, supported by Environment Bureau (ENB) and Transport and Housing Bureau (THB), will look at the big issues: from low emission vehicles to driving behaviour. If your company is managing a fleet of vehicles, either directly or indirectly through contracts, you are welcome to join this Platform to develop plans with various stakeholders to reduce HK's air pollutants and carbon emissions. Please contact Mr Wayne Wong (T. 2784 3955 | E. waynewong@bec.org.hk) if you are interested to join or have any enquiries.
